Step Two Enrollment Forms

Enrollment Forms

Once we have received the application you will receive enrollment forms and a family interview will be scheduled with the school's administrator.

Step Three Interview

Interview

Both parents or legal guardian(s) and the prospective student are **required** to be present at the interview. Please bring all appropriate paper work in correspondence with the checklist located on the enrollment form.

Calvary Chapel Christian School is a covenant Christian school, meaning that we seek to enroll families with a strong and visible relationship with Jesus Christ. The interview process is conducted through the respective school level to which you are applying (elementary & middle) and serves the purpose of evaluating the family's spiritual commitment and willingness to co-labor with the school.

**Step Four
Decision**

Decision

Calvary Chapel Christian School believes in the divine sovereignty of God. Therefore, we believe each individual involved in the school has been called of the Lord to be here. A complete review of the application and prayer regarding each family will be used to determine acceptance to the school.

Once a decision has been made you will be notified by the school the appropriate administrative assistant.

A \$250 enrollment fee is due upon acceptance into the school.

Students who have not submitted previous standardized test scores are required to test for academic evaluation. Testing takes place on our campus and is administered by appointment. You will be contacted should testing need to be scheduled.
